What we can do for you..

## New Homes, Renovations & Extensions

Exact Homes brings a full range of building to Alice Springs or in remote areas of the Northern Territory. Not just for new homes, our experienced team bring an extensive range of skills and innovation to the challenges of renovating and extending existing premises.

Let the expert team from Exact transform your ideas into reality, from design to completion.

## Our Work

In the building and construction industry, you're only as good as your last building project. For Exact Homes, that's always been a good thing. We continue to lift the bar with each and every project we take on.

Our work speaks for itself in quality and craftsmanship. Visit our website at [exachomes.com.au](http://exachomes.com.au) to view our project gallery for examples of previous work complete in Alice Springs, and around the Northern Territory, or give us a call to see what we could do for you.

## Our Vision

Exact Homes is committed to bringing exceptional service and quality to Central Australia. Born and bred in Alice Springs, Exact Homes are committed to providing you with the skills and expertise required to turn your dreams into a reality.

## Our Experience

Exceptional carpentry and construction services, plus top quality workmanship is our promise at Exact Homes.

Alice Springs residential and commercial property owners know that the team from Exact Homes delivers on their promise. We are also known for delivering exceptional customer service and getting the job done right. Our team will make sure you are kept up-to-date on their progress throughout your project.

As a business originating in Alice Springs, the team from Exact Homes value our local clientele and are committed to giving back to the community through regular support of local enterprise, sports and events.
