# Bowden Family Funerals

We at Bowden Family Funerals are members of the Funeral Directors Association of NSW and are governed by a strict code of ethics. It is important to find a Funeral Director that belongs to an association because the association have strong guidelines and will inspect our premises to make sure they are up to the required standards.

Funeral Directors will ask questions when they come to do an arrangement. Family often wonder what we are asking those questions for, they are for the registration of the Death (persons name, date of birth/death, where death occurred, usual occupation during working life, place of birth, place of marriage, age at time of marriage, spouses name and maiden name, children's dates of birth, father's name, mother's maiden name and the informant's name and address).

We at Bowden Family Funerals do prepaid funeral plans where you pay at today's prices, whether you live for another twenty years or not, you pay no more. Should you require any information on our funeral plan or require a Funeral Director at need, do not hesitate to contact Anita on 02 4351 8004 anytime, day or night.

*"When a family entrusts us with what they hold so dear; we will treasure the honour; treating them with the utmost dignity and respect, just as if they were a member of our own family. For when we are responsible for a family's most precious possession...  
... they are our family"*
